

LETTER OF ADVOCACY TO SCHOOL COMMUNITY

21 February 2018

Dear Parents/Guardians

School's Quality Assurance Self-Evaluation under the auspices of IQAA

We are conducting a mentored internal evaluation of the school from February to April 2018. The reason for the evaluation is two-fold:

- The first and most important reason is that as a school our goal is to be as good as we possibly can be. The evaluation will help us to identify our strengths as well as areas of concern so that we can get better at the things that are not yet perfect.
- The second reason is that we belong to the *Independent Schools Association of Southern Africa* (ISASA) and a condition of membership is that each school must undergo a quality assurance check at least once in every six years.

The evaluation will be run with the assistance of the Independent Quality Assurance Agency (IQAA) and they have appointed Tim Evans as mentor.

The school evaluation begins with a survey of the opinions of parents/guardians, teachers/staff and learners.

You will be able to complete the survey online on your own device, or in the Domino Servite School computer room.

Online Survey Instructions:

- You will receive a link to an online survey from the school.
- Open the link, complete the survey and submit when done.
- Give yourself sufficient time to answer the survey.
- Please be aware that there is a cut-off date for the survey.
- The survey will run from Monday, the 26 February until 24:00 on Sunday, 4 March.
- The survey is anonymous and confidential.
- Online surveys take between 10 – 15 minutes to complete and must be finished in a single setting.

Thank you very much for your assistance. We value your input.

Yours sincerely

D Newlands
Principal
